

You are warmly invited by the Lions Club Yvelines Heraldic to join us for an evening of emotionally-charged family history, related by Minter Dial, author and speaker.

Minter tells the story of his grandfather, who died as a prisoner of war early in 1945 in the Pacific war zone and who conferred a ring to his closest friend just before his death.

Come and share Minter's vivid experiences of finding out what happened to his grandfather and the ring, a fascinating family story researched over a 25 year period.

His film has received an award (30' in English with French sub-titles) and his book will be available for purchase on the evening, signed by the author(20€).

You can see the trailer at <https://www.youtube.com/watch?v=o4o1DPHrfF8>

Net profits from the evening, in agreement with Minter, will go to the La Maison des Loges - the Collège in St Germain-en-Laye for the daughters of the Légion d'Honneur award winners, and also to other charitable military causes..
